SECTION C.—Subject to the instructions at the head of Section B of this rule an Extra Numerum subject may be offered carrying 100 marks and chosen from the following:—

General Anthropology.
Special Anthropology.
An auxiliary language.

10. The auxiliary language in Section A or Section C will be tested by means of translation from the language. The following languages may be offered: French, German, Italian, Spanish, Portuguese, Dutch, Norwegian, Swedish, Danish, Russian, Latin, Ancient Greek.

No Candidate may offer any language or General Anthropology or Special Anthropology twice in the examination.

No Candidate may offer in Sections A and C together two languages of the group Italian, Spanish, Portuguese or two of the group Norwegian, Swedish, Danish.

Only a Candidate who takes two modern languages in Section B may offer Latin or Ancient Greek as an auxiliary language.

Instead of an auxiliary language a Candidate whose mother tongue is an Indian language may offer as Subject 5 either General Anthropology or Special Anthropology.

11. In subjects 50 to 67 the civilization subject associated with a language can only be taken by Candidates who offer the language itself for examination.*

12. A Candidate desiring to offer subject 24 or any of the subjects 31 to 43 must produce evidence satisfactory to the Commissioners of laboratory training in an institution of university rank. For Astronomy (29), Geography (44), the Physical Anthropology branch of Special Anthropology (46),

**e.g.*, a Candidate desiring to offer subject No. 51 (Roman Civilization), must also offer subject No. 50 (Latin Language).

and Agriculture (47), other equivalent training will be required. There will be no laboratory test as part of the examination.

13. From the marks assigned to Candidates in each subject such deduction will be made as the Civil Service Commissioners may deem necessary in order to secure that no credit be allowed for merely superficial knowledge.

14. Moreover, if a Candidate's handwriting is not easily legible a further deduction will, on that account, be made from the total marks otherwise accruing to him.†

15. A list of the competitors shall be made out in order of their proficiency as disclosed by the aggregate marks finally awarded to each competitor, and in that order so many competitors, up to the determined number of appointments, as are found by the Civil Service Commissioners to be qualified by examination, shall be designated to be Selected Candidates for the Indian Civil Service, provided that they appear to be duly qualified in other respects.

Should any Candidate become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled or not. In the former case the Candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a Selected Candidate.

16. Application for permission to attend an examination must be made in the handwriting of the Candidate, at such time and in such manner as may be fixed by the Civil Service Commissioners.

Evidence of Training.—Candidates who desire to offer any of the subjects 24, 29, 31-44, 46 (Physical Anthropology branch only), or 47 must send to the Secretary of the Civil Service Commission, so as to arrive not later than 8th May 1930, the evidence of training described on pages 1847 to 1850. Such evidence should be in the form of a certificate signed by a responsible officer of the institution. In the case of an institution not situated in the British Isles, the certificate must state that the institution in which the work has been done is authorized to prepare candidates in that subject for a degree.

ONE-YEAR AND TWO-YEAR PROBATIONERS.

(7) Sub-section 1. Each candidate will offer for examination the vernacular shown in column 2 against his province in the following table unless he is already familiar with it or with a language closely allied to it. A probationer assigned to Madras who is familiar with one only of the vernaculars named will offer the other.

Col. 1.	Col. 2.	Col. 3.
Madras	Tamil or Telugu	...
Bombay	Marathi	Urdu.
Bengal	Bengali	...
United Provinces	Urdu	...
Punjab	Urdu	...
Burma	Burmese	...
Bihar and Orissa	Hindi	Bengali
Central Provinces	Hindi	Marathi.
Assam	Bengali	...

Sub-section 2. A candidate who is not required by sub-section (1) to offer a vernacular named in column 2 will offer the vernacular named in column 3 against his province if any such vernacular is named unless he is already familiar with the vernacular there named or with a closely allied one.

Sub-section 3. A candidate who is not required under the preceding sub-sections to offer a vernacular will offer history instead. A one-year probationer will offer British history; a two-year probationer will offer British history for the Intermediate Examination and European history for the Final Examination.

Any question as to the interpretation and application of this regulation will be decided by the Civil Service Commissioners.

(8) The ordinary session of the Final Examination for the testing of riding will take place in advance of the rest of the Final Examination, and a special session will when necessary be held at a later date for the benefit of any candidate who may have failed at the ordinary session.

Candidates who at the ordinary session satisfy the Commissioners that they are sufficiently at home in the saddle for the efficient performance of all duties required of members of the Indian Civil Service will be awarded marks ranging between 101 and 200 according to the degree of proficiency displayed.

Candidates who at the ordinary session fall short of this adequate proficiency but show such minimum proficiency as is evidence that with a moderate amount of practice they can attain full proficiency, will receive marks ranging between 1 and 100; they will be allowed to proceed to India and will on their arrival there be subjected to such further tests in riding as may be prescribed by their Local Government.*

If a candidate is absent from or fails to show minimum proficiency at the ordinary session he will be given a further opportunity of examination at a special session. If he then attains adequate proficiency he will not be subjected to further tests in India. If he attains minimum proficiency he will be allowed to proceed to India under the same condition as if he had attained minimum proficiency at the ordinary session. No credit in marks will be given for any performance at a special session.

Probationers may also be examined in riding at such time or times as the Commissioners may appoint during the course of the probationary period.

(9) Such deductions as the Civil Service Commissioners may consider necessary will be made from the marks assigned to candidates at the Intermediate and Final Examinations in order to secure that no credit is allowed for merely superficial knowledge.

(10) The Civil Service Commissioners will prepare lists of the candidates in order of merit; the order for the one-year probationers being based on the sum of the marks obtained by the candidates at the Open Competitive and Final Examinations, the order for the two-year probationers being based on the sum of the marks obtained by the candidates at the Intermediate and Final Examinations.

(11) The selected candidates whose performance in the compulsory subjects† of the Final Examination is such as to satisfy the Civil Service Commissioners, and who have also satisfied the Commissioners of their eligibility in respect of nationality, age, health, character and conduct during the period of probation, shall be certified by the Commissioners to be entitled to be appointed to the Indian Civil Service, provided that they shall comply with the regulations in force, at the time, for that Service.

* Such candidates will receive no increase to their initial pay until they have passed the further tests in question to the satisfaction of their Local Government.

†The compulsory subjects include riding, and a candidate who fails at the end of the period of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in riding will be liable to have his name removed from the list of selected candidates.

(12) If any candidate is prevented by sickness or any other adequate cause from attending the Final Examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a special examination. A selected candidate absent for such adequate cause from the Intermediate Examination may, under similar conditions, be allowed to appear at the Intermediate Examination a year later or at a special examination, or may be excused the Intermediate Examination and allowed to appear for the Final Examination in regular course.

Any candidate who at the Intermediate Examination shall appear to have wilfully neglected his studies, or to be physically incapacitated for pursuing the prescribed course of training, will be liable to have his name removed from the list of selected candidates.

(13) A selected candidate who wishes to pursue, in addition to the course prescribed above, an extra course of study, such as reading for a degree or for the examination for admission to the Bar, must first obtain the permission of the High Commissioner for India. If permission is accorded, it will be subject to review at any time.

ANNOUNCEMENTS

made by the Civil Service Commissioners with the authority of the Secretary of State for India in Council:—

(i) Selected candidates will be allotted to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the Public Service will rank before every other consideration.

(ii) A selected candidate who wishes to pursue an extra course of study, in addition to the prescribed probationary course, must submit an application, stating precisely the extra course of study which it is desired to pursue, to the Secretary to the High Commissioner for India, Education Department, 42 Grosvenor Gardens, London, S. W. I, through the appropriate authority at the University or College at which he is pursuing his probationary course. The appropriate authorities are:—

Oxford—The Indian Civil Service Delegacy.

Cambridge—The Board of Indian Civil Service Studies.

London—The Director of the School of Oriental Studies.

Trinity College, Dublin—The Registrar of the Indian and Home Civil Service School.

(iii) An allowance of £300 a year, or, in the case of Selected Candidates possessing an Indian domicile, an allowance of £350 a year will be given to any candidate who passes his probation at one of the Universities or other Institutions that have been approved for the purpose by the Secretary of State for India in Council.

In the case of Selected Candidates on probation for one year, the allowance will be payable in five equal instalments, the first after the agreement prescribed in Announcement (iv) has been executed, the second, third and fourth on December 24th, March 25th and June 25th, respectively, and the fifth after signature of Covenant on appointment to the Service.

In the case of Selected Candidates on probation for two years, the allowance will be payable in nine approximately equal instalments, the first on September 29th or as soon thereafter as the agreement has been executed, the second on December 24th, the third to the eighth at quarterly intervals from that date, and the ninth after signature of Covenant on appointment to the Service.

Each selected candidate should intimate to the Secretary to the High Commissioner for India, Education Department, the address to which it is desired that the first instalment should be sent.

The payment of the various instalments of the allowance except the first instalment and the final instalment, and, in the case of the two-year probationers, the instalment payable at the end of the first year of probation, will be conditional on the receipt by the High Commissioner for India, through the authorities of the approved institution, of a certificate that the candidate had fulfilled up to date the requirements of the authorities and shown satisfactory progress.

If an Indian Government Scholar becomes a selected candidate for the Indian Civil Service, his scholarship stipend shall cease to be paid with effect from the 1st October of the year in which he becomes a selected candidate.

The whole probation must ordinarily be passed at the same Institution. Migration will not be permitted except for special reasons approved by the Secretary of State.

N. B.—The Secretary of State for India gives notice that the amount of the allowances will be reconsidered in 1930, with a view to a possible reduction with effect from the first instalment payable to candidates selected in that year.

(iv) Each Candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one surety jointly and severally to refund all moneys he may have received from the Secretary of State for India in the event of:—

- (1) his failure to pass the Final Examination within the time prescribed by the Regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Indian Civil Service, or
- (2) his subsequent failure to execute the usual covenant, and to proceed to India, as and when he shall be directed by the Secretary of State for India.

(v) All candidates obtaining Certificates will be also required to enter into covenants, by which, amongst other things, they will bind themselves to make such payments as under the rules and regulations for the time being in force they may be required to make for the pensions of their families. The stamps payable on these covenants amount to £1.

(vi) A First Class passage to India will be engaged for Selected Candidates with a view to their proceeding to India after they have signed their covenants.

Selected candidates who desire to make their own arrangements for proceeding to India must first satisfy the High Commissioner for India that they have good reasons for wishing to do so and that the arrangements which they propose to make are suitable. They will then, on production to the High Commissioner for India of evidence that they have engaged a passage, be granted an allowance not exceeding £65* or the actual cost of the passage by the route selected, whichever is less.

(vii) Candidates appointed to the Indian Civil Service after undergoing one year's probation will be senior to those appointed in the same year after undergoing two years' probation. The seniority of candidates of each class *inter se* will be determined by the order in which their names appear on the lists referred to in clause (10) of the regulations.

(viii) A candidate who fails to satisfy the Civil Service Commissioners at the Final Examination held in any year will be definitely rejected unless the Secretary of State in Council shall, after reference to the Civil Service Commissioners, allow him to sit for re-examination in the subject or subjects in which he failed. In general, a candidate who is allowed re-examination will be required to forfeit the whole or part of the final instalment of his allowance, but if it appears to the Secretary of State in Council, after reference to the Civil Service Commissioners, that his failure to pass the examination was due to circumstances wholly exceptional and beyond his control, such forfeit of his allowance will not be required.

(ix) "Overseas pay" will not be admissible to Indian members of the Indian Civil Service selected at Open Competitive Examinations held in London in 1925 and subsequent years.

*This sum is liable to variation from time to time.

II. The draft will be taken into consideration on or after the 28th November 1929, and any objections or suggestions received before that date will be considered.

Draft Rules and Schedule of Rates of Tolls.

1. Every vessel on entering the channel and before passing the gate at either end or even when entering the channel from a side khal between the gates shall be liable to measurement for the purpose of ascertaining the tolls payable; in case of any reasonable doubt arising, a vessel may be measured again by any person appointed by the District Board of Bakarganj on this behalf.

2. Vessels for the purpose of the determination of maundage shall be divided into two classes as below:—

Class I.—To include all vessels of the types of country boats, including saltees and hapors (fish cages), house boats, kosh boats, green boats, etc.

Class II.—To include pleasure boats, motor boats, flats and barges and other square built vessels.

3. The maundage of every vessel, whether laden or empty, shall, for the purpose of Act V (B. C.) of 1864 and of these rules, be determined by the following measurements:—

CLASS I.

A. The product of one quarter the length of the vessel from stem to stern, measured along the water line, multiplied by the interior greatest breadth of the vessel, multiplied by the depth from the water-line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

B. The measurement of the length is to be made in feet, rejecting inches; the measurement of breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C. The maundage on which the amount of toll is calculated shall be reckoned to the nearest integral multiple of $12\frac{1}{2}$ maunds, any remainder of less than $12\frac{1}{2}$ maunds being rejected. In the case of vessels exceeding 500 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 50 maunds, rejecting any remainder of less than 50 maunds.

D. **Saltees.**—The product of one quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel, multiplied by the greatest depth measured from the top to the interior bottom

of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

CLASS II.

For vessel of class II the number of maunds obtained by the system of measurement prescribed for vessels of class I shall be increased by one-half. For vessels of this class above 5,000 maunds measurement, the maundage shall be reckoned to the nearest integral multiple of 500 maunds, rejecting any remainder of less than 500 maunds. In the case of steamers and motor boats the maundage determined as above shall be reduced by one-third as an allowance for engine space.

For vessels of class II which are furnished with reliable way bills, the gross maundage of cargo shown by the way bills or in the case of steamers, the maundage obtained from multiplying the registered tonnage of the steamer by 27, may, at the option of the employer of the vessel or the steamer (as the case may be), be taken as the maundage on which tolls will be charged.

4. After the measurement the person in charge of the vessel shall be provided with a slip showing the maundage to be charged, which must be presented at the toll office where he will be provided with a ticket, after payment of toll, which will permit the vessel to pass the gate or proceed through the channel.

5. Every ticket shall have entered on it the name of the sarang, manjee or other person in charge of the vessel, the date of entry, the maundage, the cargo, the amount of toll charged and the number of days for which the ticket remains current.

6. All tolls are payable on demand and shall be paid at the toll office before a vessel is permitted to proceed.

7. The ticket must be kept on board the vessel and in possession of the person in charge of the vessel and must be produced for inspection when demanded by the person authorised to collect tolls, or by any officer to whom such person is subordinate. If on demand the ticket is not produced, such person or officer shall assess the tollage. If on demand the ticket is not produced, such person or officer shall assess the tollage as provided in rules 3 and 12 and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel shall be liable to seizure and detention under the provisions of section 9 of the Act.

8. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the collector of tolls on payment of a fee equal to one quarter of the total tollage, subject to a minimum fee of one anna per ticket.

9. All vessels, whether the property of Government, District Board, other local bodies or of private persons, are liable for toll except those specially exempted under these rules or by a resolution passed by the District Board of Bakarganj from time to time.

10. The canal may be closed once a year for effecting the necessary repairs to it on seven days' notice of the intention so to close it being given; but in the event of any sudden emergency the canal may be closed at any time without prior notice, and no claim in such case by owners of vessels or others for compensation on account of detention shall be entertained.

11. No rafts exceeding 50 feet in length and 5 feet in breadth shall be permitted to enter the canals.

12. The rates of toll shall be as follows:—

- | | |
|---|----------------------|
| (1) On all vessels empty or laden, per hundred maunds | Four annas. |
| (2) On all vessels empty or laden, for 12½ maunds or less | One-half anna. |
| (3) On rafts of bamboos, grass, timber, etc., not exceeding 50 feet in length and 5 feet in breadth | Two annas each raft. |

Tolls will be levied at Nali and Shapleza.

13. For boats frequently using the canal such as boats carrying passengers, grass or perishable articles monthly tickets will be issued at 10 times the ordinary toll.

14. Every vessel which has paid toll shall be allowed to remain in the canal for three days inclusive of the days of entry into and leaving the canal. A vessel remaining in any part of the canal longer than three days shall be charged demurrage equal to one-half of the toll for each day in excess of three days. No vessel shall be permitted to remain in the canal for more than one month. Provided that this rule shall not apply to vessels holding monthly tickets under rule 13 above, which may remain in the canal for more than three days without payment of demurrage but not for more than one month at a time.

15. No vessel carrying exclusively police officers or servants, soldiers and officers of the British Army, post mail runners, officers of the Irrigation Department on duty, officers and servants of the toll office for the canal referred to in these rules while on duty, or the vessels of such other persons as may be exempted by a resolution of the District Board of Bakarganj, shall be liable for toll in the canal.

16. Any matter relating to the mode of collection of tolls and other relevant points, not provided for in these rules, shall be decided by the District Board of Bakarganj at a meeting, and shall be subject to the approval of the local Government.

No. 1926A.D.—14th October 1929.—Whereas the validity of the election of Maulvi Abdul Karim by the Burdwan Division South (Muhammadan) constituency of the Bengal Legislative Council has been brought in question by an election petition duly presented by Maulvi Golam Rahman under the provisions of Part VII of the Bengal Electoral Rules: and whereas in accordance with the provisions of rule 45 of the said Electoral Rules, the Commissioners appointed for the trial of the said petition have duly submitted their report to the Governor: Now, therefore, in pursuance of sub-rule (3) of rule 45 of the Bengal Electoral Rules and in accordance with the report of the said Commissioners, His Excellency the Governor is pleased hereby—

- (1) to declare the election of Maulvi Abdul Karim as a member of the Bengal Legislative Council for the Burdwan Division South (Muhammadan) constituency to be void;
- (2) to direct that each party shall bear his own costs; and
- (3) to publish the said report.

In the matter of the election to the Bengal Legislative Council from the Burdwan Division South Muhammadan constituency held on the 1st and the 5th of June 1929 and Golam Rahaman of Beleswar, post-office Panchpara, district Hooghly, by profession Advocate, at present residing at Chinsurah, district Hooghly, petitioner, versus Abdul Karim of 13/2, Wellesley Square in the town of Calcutta, respondent.

REPORT.

The election of Maulvi Abdul Karim by the Burdwan Division South (Muhammadan) constituency as a member of the Bengal Legislative Council having been called in question by an election petition duly presented under the provisions of Part VII of the Bengal Electoral Rules by the unsuccessful rival candidate, Maulvi Golam Rahaman, petitioner, His Excellency the Governor was pleased in pursuance of the provisions of rules 36 (2) and 38 of the said rules to appoint us Commissioners for the trial of the said petition. After the preliminary formalities prescribed by the law on the subject and the issue of notice on the respondent, Maulvi Abdul Karim, the case was taken up for trial on 3rd September 1929, when the respondent Maulvi Abdul Karim filed his written statement. On the same date the following issues were framed on the pleadings of the parties:—

- (1) Were the 162 ballot papers recorded in Pandua polling station rightly rejected by the Returning Officer?
- (2) Did the Presiding Officer of Pandua centre make the alleged endorsements on the said 162 ballot papers? If so, can the same affect the ballot papers or the election in any way?
- (3) Are the said endorsements sufficient to identify the electors within the meaning of Regulation XLVII (e)?

- (4) Is the order of the Returning Officer declaring the results of the election wrong? If so, has it materially affected the result of the election?
- (5) Is the petitioner entitled to the declaration that he is legally and properly elected at the said election to the Bengal Legislative Council?
- (6) Has the respondent been duly elected at the election? If not, ought his election to be declared void and set aside? And should a fresh election be ordered on the existing nomination?
- (7) Is the petitioner entitled to his costs from the respondent? If so, how much?

The petitioner, Maulvi Golam Rahaman, has examined only two witnesses, namely, (1) Mr. J. N. Roy, the Returning Officer, and (2) Choudhury Mahammad Abdulla, the election agent of Golam Rahaman at the Pandua polling centre, where the alleged illegality or irregularity on which the election is sought to be declared void, is said to have taken place. The respondent has not adduced any evidence, oral or documentary, and has contended himself with being represented by his counsel who has argued his case before us. It appears that at the Pandua polling centre the Presiding Officer was Babu Jatindra Nath Ghosh, Sub-Registrar of Pandua. This Presiding Officer adopted the most extraordinary procedure of making an endorsement on the ballot papers indicating the polling station, the name of the constituency and the elector's number in the electoral roll. The number of such ballot papers is 162 and they have been marked Ex. 1 to Ex. 1-161. There are also 162 such endorsements on the 162 ballot papers, these endorsements being Ex. 3 to Ex. 3-161. At the counting of votes held by the Returning Officer, Mr. J. N. Roy, on the 13th of June 1929, he rejected these 162 ballot papers under Regulation XLVII, clause (1), sub-clause (e) of the Bengal Electoral Regulations on the ground that these endorsements (Ex. 3 to Ex. 3-161) on the ballot papers had the effect of identifying the electors and that, therefore, the secrecy of the ballot had been violated. Of these 162 rejected votes, 153 had gone in favour of the petitioner, Maulvi Golam Rahaman, and 9 had gone in favour of the respondent, Maulvi Abdul Karim. After the rejection of these votes the voting as declared by the Returning Officer was as follows:—

Abdul Karim 991.

Golam Rahaman 877.

Abdul Karim, the respondent, was thereupon declared to have been duly elected as having secured the largest number of votes. There is no doubt that if the 153 votes cast in favour of the petitioner, Golam Rahaman, had not been rejected by the Returning Officer he would have polled 1,030 (877+153) votes and that if the 9 votes cast in favour of the respondent, Abdul Karim, had not been rejected by the Returning Officer he would have polled 1,000 (991+9) votes, and that Golam Rahaman would in that case have been declared duly elected as having secured 30 more votes than his only rival candidate, the respondent. There are only two points for consideration which arise out of the first six issues, namely, (1) whether the rejection of these 162 ballot papers by the

Returning Officer is illegal and improper and (2) whether the rejection of the 162 ballot papers by the Returning Officer has materially affected the result of the election. Even if the rejection of the 162 ballot papers by the Returning Officer be found to be legal and proper the election is still liable to be declared void under rule 44, clause (I), sub-clause (c) if the illegality or irregularity alleged to have been committed by the Presiding Officer of the Pandua polling centre has materially affected the result of the election. The learned vakil for the petitioner contends that the endorsements (Ex. 3 to Ex. 3-161) on the ballot papers (Ex. 1 to Ex. 1-161) do not identify the electors concerned. We have seen these endorsements and we have absolutely no hesitation in finding that the endorsements on the ballot papers by the Presiding Officer relating to the elector's number on the electoral roll had the undoubted effect of identifying the electors concerned. Under Regulation XXXII of the Bengal Electoral Regulations it is the duty of the Presiding Officer to enter on the counterfoil the number of the elector as stated in the electoral roll and not on the outer-foil which is the ballot paper and which is handed over to the voter for recording his vote thereon. The counterfoils have to be sent by the Presiding Officer to the Returning Officer in a sealed cover. The sealed cover containing the counterfoils cannot be opened even by the Returning Officer and has to be sent by him to the Secretary of the Legislative Council after the counting is over. Neither can it be opened while in the custody of the Secretary of the Legislative Council by anybody except under the order of a competent Court or the Commissioners appointed to hold an enquiry in respect of an election (*vide* Regulation LI of the Bengal Electoral Regulations). All the aforesaid rules and regulations have been framed with a view to the strict observance of the secrecy of the ballot; and in our opinion any procedure which has the effect of violating this fundamental principle underlying an election by ballot is an illegality which goes to the very root of the election if it has materially affected the result of the election. It has been argued by the learned Counsel for the respondent that even if the secrecy of the ballot has been violated by the procedure adopted by the Presiding Officer of the Pandua centre it is a mere irregularity or an accidental violation of the rule which has not materially affected the result of the election, and that therefore such irregularity or, as he puts it, accidental violation of the rule, ought to be condoned. It has also been argued by the learned Counsel for the respondent that the Presiding Officer having done all that was expected of him under Regulation XXXII of the Bengal Electoral Regulations the election should not be declared void simply because he had endorsed on the ballot papers the elector's number on the electoral roll and certain other details not provided for in Regulation XXXII of the Bengal Electoral Regulations. We cannot accept the learned Counsel's argument as sound or reasonable. By making the aforesaid endorsements the Presiding Officer has distinctly violated Regulation XXXII for which the Returning Officer under Regulation XLVII, clause (i), sub-clause (c) of the Bengal Electoral Regulations providing for the secrecy of the ballot, has rightly rejected them. The

secrecy of the ballot having been violated the Returning Officer, Mr. J. N. Roy, was perfectly right in rejecting the ballot papers under Regulation XLVII, clause (i), sub-clause (c). Then the next point for determination is whether the rejection of the 162 ballot papers by the Returning Officer has materially affected the result of the election. If the rejection of the 162 ballot papers has materially affected the result of the election there is no doubt that the election is liable to be declared void under rule 44, clause (I), sub-clause (c) of the Bengal Electoral Rules. In order to elucidate the meaning of the words "materially affecting the result of the election" certain rulings have been placed before us by both sides. We shall now deal with these cases. In *Woodward versus Sarsons* reported in *Hammond's Indian candidate and Returning Officer*, it appears that but for the irregularity committed by the Presiding Officer Sarsons would have polled 1,022 votes and Woodward 1,008. It was therefore held in that case that the election of the respondent Sarsons must be upheld as the irregularity complained of was not such as to "satisfy the tribunal that it did affect or might have affected the majority of votes; or in other words, the result of the election." On the above finding Sarson's election was upheld. In *V. S. Mahammad Ibrahim, petitioner, versus Abbas Ali Khan Sahib and A. P. Sayid Ibrahim*, respondents, reported in *Hammond's Indian Election Petitions* at page 182, it appears that the Presiding Officer had taken the thumb impressions of two illiterate voters who had voted for the petitioner. These thumb-impressions were made on two ballot papers which were rejected by the Returning Officer; and the Commissioners who heard the election petition after finding that they were rightly rejected by the Returning Officer observed as follows:—"But even allowing these votes in favour of the petitioner it would leave him in a minority of two. The result of the election is therefore not materially affected by such irregularities." In the case of *Upadhaya Ambika Prashad, petitioner, versus Lakshmi Mohon Misra* and another, respondents, reported in *Hammond's Election Petitions* at pages 92 and 93, it appears that the respondent Lakshmi Mohon Misra was declared duly elected by the Returning Officer as having polled 843 votes as against 721 votes polled by the petitioner Upadhaya Ambika Prashad in spite of the objection taken by the latter before the Returning Officer that a large number of ballot papers cast in favour of the respondent, namely, 361 out of 843, should be rejected as having contained certain marks violating the secrecy of the ballot. The learned Commissioners in upholding the objection of the petitioner observed as follows:—"If these marked ballot papers had been rejected the number of votes received by Babu Lakshi Mohon Misra (respondent) would have been reduced from 843 to 482 and those received by Babu Ambika Prashad (petitioner) would have been reduced from 721 to 604;" and thereupon the learned Commissioners declared the election of the respondent void as in their opinion the irregularity had affected the result of the election. It has also been held in the case of *Babu Das Sinha versus Babu Rajandhari Sinha* and another reported

in Jagat Narain's Indian Election Petitions, Volume III, at page 80, that the election cannot be said to have been materially affected unless the irregularities which have occurred actually turned the scale in favour of the returned candidate. It must be shown that but for the irregularities the returned candidate would not have obtained a majority of the votes. Basing their conclusions on the above principle the Commissioners were pleased to dismiss the election petition. In 30 C. L. J. at page 270, Mr. Justice Mukherji has collected all the case-law on the subject and has held that where the irregularity or transgression complained of has affected the result of the election, that is, the success of one candidate over another, it would be the clear duty of the election tribunal to set aside the election. Although the case in 30 C. L. J. at page 270 refers to a municipal election Mr. Justice Mukherji has also dealt with the law relating not only to elections to Legislative Councils in India but also to Parliamentary elections, and his decision is in full accord with the other decisions already referred to by us. On a consideration of the law on the subject we hold that if the transgression complained of—whether it amounts to an illegality or irregularity—constitutes a non-compliance with the provisions of the Act or the rules or regulations made thereunder as contemplated by rule 44, clause (1), sub-clause (c) of the Bengal Electoral Rules and if the said non-compliance has materially affected the result of the election, that is, if it has turned the scale in favour of the returned candidate or in other words, if it has materially affected the success of one candidate over another, the election of the returned candidate should be void. But for the non-compliance with the rules and regulations on the subject by the Presiding Officer of the Pandua centre Maulvi Golam Rahaman, the petitioner, would have been duly declared elected because he would have polled 30 more votes than the respondent, Maulvi Abdul Karim, if the 162 ballot papers, of which 153 had been cast in favour of the petitioner and 9 in favour of the respondent, had not been rejected—and very properly rejected—by the Returning Officer. The election of the respondent, Maulvi Abdul Karim, is therefore declared void. There is no allegation of any corrupt practice in this case and none has been proved.

We therefore summarise our findings on the issues as follows:—

Issue No. 1—Our answer is in the affirmative.

Issue No. 2—We find that there were endorsements on the 162 ballot papers made either by the Presiding Officer of the Pandua centre or under his direction and that they have affected the ballot papers and the validity of the election.

Issue No. 3—Our answer is in the affirmative.

Issue No. 4—Our answer to the first part of the issue is in the negative. Our finding on the second part of the issue is that it has materially affected the result of the election.

Issue No. 5—Our answer is in the negative.

Issue No. 6—Our answer to the first part of the issue is in the negative. The election of the respondent, Maulvi Abdul Karim, ought to be declared void and set aside. We also find

that a fresh election on the existing nomination cannot be ordered, as it has not been provided for in the rules and regulations.

Issue No. 7—As regards costs, having regard to the fact that the election has been frustrated or declared void for no fault of either party and that the Presiding Officer of the Pandua polling centre alone is responsible for the invalidity of the election, we recommend that each party will bear his own costs.

In the result we report that Maulvi Abdul Karim, the returned candidate, has not been duly elected and that his election is void. Each party will bear his own costs.

[Second publication.]

No. 41-I.—3rd October 1929.—The following draft of rules and schedule of rates of tolls, which, in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor in Council intends to make and fix for the khal known as the first side-cut along the Schillarganj Char Duani Road, joining Nali Done in the south and Shapleza khal in the north, in the Perojpur subdivision of the Bakarganj district, is hereby published for the information of persons likely to be affected thereby.

II. The draft will be taken into consideration on or after the 28th November 1929, and any objections or suggestions received before that date will be considered.

Draft Rules and Schedule of Rates of Tolls.

1. Every vessel on entering the channel and before passing the gate at either end or even when entering the channel from a side khal between the gates shall be liable to measurement for the purpose of ascertaining the tolls payable; in case of any reasonable doubt arising, a vessel may be measured again by any person appointed by the District Board of Bakarganj on this behalf.

2. Vessels for the purpose of the determination of maundage shall be divided into two classes as below:—

Class I.—To include all vessels of the types of country boats, including saltees and hapors (fish cages), house boats, kosh boats, green boats, etc.

Class II.—To include steam boats, motor boats, flats and barges and other square built vessels.

3. The maundage of every vessel, whether laden or empty, shall, for the purpose of Act V (B. C.) of 1864 and of these rules, be determined by the following measurements:—

CLASS I.

A. The product of one quarter the length of the vessel from stem to stern, measured along the water line, multiplied by the interior greatest breadth of the vessel, multiplied by the depth from the water-line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

B. The measurement of the length is to be made in feet, rejecting inches; the measurement of breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C. The maundage on which the amount of toll is calculated shall be reckoned to the nearest integral multiple of $12\frac{1}{2}$ maunds, any remainder of less than $12\frac{1}{2}$ maunds being rejected. In the case of vessels exceeding 500 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 50 maunds, rejecting any remainder of less than 50 maunds.

D. **Saltees.**—The product of one quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel, multiplied by the greatest depth measured from the top to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

CLASS II.

For vessel of class II the number of maunds obtained by the system of measurement prescribed for vessels of class I shall be increased by one-half. For vessels of this class above 5,000 maunds measurement, the maundage shall be reckoned to the nearest integral multiple of 500 maunds, rejecting any remainder of less than 500 maunds. In the case of steamers and motor boats the maundage determined as above shall be reduced by one-third as an allowance for engine space.

For vessels of class II which are furnished with reliable way bills, the gross maundage of cargo shown by the way bills or in the case of steamers, the maundage obtained from multiplying the registered tonnage of the steamer by 27, may, at the option of the employer of the vessel or the steamer (as the case may be), be taken as the maundage on which tolls will be charged.

4. After the measurement the person in charge of the vessel shall be provided with a slip showing the maundage to be charged, which must be presented at the toll office where he will be provided with a ticket, after payment of toll, which will permit the vessel to pass the gate or proceed through the channel.

5. Every ticket shall have entered on it the name of the sarang, manjee or other person in charge of the vessel, the date of entry, the maundage, the cargo, the amount of toll charged and the number of days for which the ticket remains current.

6. All tolls are payable on demand and shall be paid at the toll office before a vessel is permitted to proceed.

7. The ticket must be kept on board the vessel and in possession of the person in charge of the vessel and must be produced for inspection when demanded by the person authorised to collect tolls, or by any officer to whom such person is subordinate. If on demand the ticket is not produced, such person or officer shall assess the tollage. If on demand the ticket is not produced, such person or officer shall assess the tollage as provided in rules 3 and 12 and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel shall be liable to seizure and detention under the provisions of section 9 of the Act.

8. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the collector of tolls on payment of a fee equal to one quarter of the total tollage, subject to a minimum fee of one anna per ticket.

9. All vessels, whether the property of Government, District Board, other local bodies or of private persons, are liable for toll except those specially exempted under these rules or by a resolution passed by the District Board of Bakarganj from time to time.

10. The canal may be closed once a year for effecting the necessary repairs to it on seven days' notice of the intention so to close it being given; but in the event of any sudden emergency the canal may be closed at any time without prior notice, and no claim in such case by owners of vessels or others for compensation on account of detention shall be entertained.

11. No rafts exceeding 50 feet in length and 5 feet in breadth shall be permitted to enter the canals.

12. The rates of toll shall be as follows:—

- | | |
|---|--------------------------|
| (1) On all vessels empty or laden, per hundred maunds | ... Four annas. |
| (2) On all vessels empty or laden, for 12½ maunds or less | ... One-half anna. |
| (3) On rafts of bamboos, grass, timber, etc., not exceeding 50 feet in length and 5 feet in breadth | ... Two annas each raft. |

Tolls will be levied at Nali and Shapleza.

13. For boats frequently using the canal such as boats carrying passengers, grass or perishable articles monthly tickets will be issued at 10 times the ordinary toll.

14. Every vessel which has paid toll shall be allowed to remain in the canal for three days inclusive of the days of entry into and leaving the canal. A vessel remaining in any part of the canal longer than three days shall be charged demurrage equal to one-half of the toll for each day in excess of three days. No vessel shall be permitted to remain in the canal for more than one month. Provided that this rule shall not apply to vessels holding monthly tickets under rule 13 above, which may remain in the canal for more than three days without payment of demurrage but not for more than one month at a time.

15. No vessel carrying exclusively police officers or servants, soldiers and officers of the British Army, post mail runners, officers of the Irrigation Department on duty, officers and servants of the toll office for the canal referred to in these rules while on duty, or the vessels of such other persons as may be exempted by a resolution of the District Board of Bakarganj, shall be liable for toll in the canal.

16. Any matter relating to the mode of collection of tolls and other relevant points, not provided for in these rules, shall be decided by the District Board of Bakarganj at a meeting, and shall be subject to the approval of the local Government.
